Bhubaneswar, Odisha | anshuman2005deep@gmail.com | +91-7077410559 | [LinkedIn](#)

PROFESSIONAL SUMMARY

Computer Science student with expertise in technical project management. Proven track record deploying Django applications on Heroku with Docker containerization for 10+ high-stakes tournaments. Strong leader with experience managing international events with 180+ participants across 3 countries and developing automated systems for enterprise manufacturing operations.

EDUCATION

Bachelor of Technology in Computer Science & Engineering

KIIT University, Bhubaneswar

Expected 2027

CGPA: 9.02/10.0

EXPERIENCE

Digital Team Intern

Aditya Birla Group (Hindalco)

May 2025 – Jun 2025

- Designed and developed automated shift scheduling system with Java backend and HTML/CSS/JavaScript frontend, eliminating manual roster generation for manufacturing plant departments
- Streamlined leave management workflows, improving operational efficiency and reducing scheduling conflicts across production teams
- Collaborated cross-functionally with plant operations to gather requirements and deliver digital solutions optimizing resource allocation

Tabulation Team

East India Pre-Worlds, Inter IIT Cultural Meet 8.0, Pratijja v20.0, Agonia 4.0, Summer Debate Symposium

2025

- Led end-to-end technical setup and deployment of TabbyCat (Django-based) debate tabulation platform on Heroku for 10+ inter-university tournaments with 80–180 participants each, achieving zero downtime
- Configured automated speaker and adjudicator allocation, private URL generation, and live verdict submission workflows with real-time data integrity
- Implemented Docker containerized testing environments to simulate live rounds, identify bugs, and prevent system crashes under tournament pressure

LEADERSHIP & CO-CURRICULAR EXPERIENCE

Vice-President

Kronicle Debating Society, KIIT Student Activity Centre

Jul 2025 – Present

- Direct society operations, stakeholder communication, and member development initiatives as Vice President
- Co-convoked East India Pre-Worlds, international tournament with 180 participants across 3 countries, 65+ teams, and 35+ adjudicators, leading a 35-member organizing committee
- Convoked Pratijja v21, flagship 2-day offline tournament (85+ participants), leading a 40+ member organizing committee and ensuring seamless execution
- Led Tabulation Team and technical operations across tournaments, ensuring zero system failures, strict schedule adherence, and development of ranking systems and website

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, SQL, C, HTML, CSS

Frameworks & Technologies: Django, Docker, Heroku, Git

ACHIEVEMENTS & CERTIFICATIONS

- Smart India Hackathon 2025** – Selected among top 10 teams institution-wide in internal hackathon competition
- Best Adjudicator** – IIT Kanpur Parliamentary Debate (national-level tournament)
- Penultimate Round** – Providence LEAP Ideathon (Unstop), shortlisted for tech-driven business solution
- Certifications:** German Language A1 Proficiency (KIIT School of Languages)
